THE SECTION

WFO 105-1871

(It is noted that both of the above are now on their respective assignments in the EDC area and STANT continues to contact forcer NY 2524-S.) The news of captioned subject was furnished to STANT.

On 4/24/69, STERT edvised that on 4/8/69 former MT 2524-S telephonically contacted LIM, edvising LIM that ha had recently seen a New York Times article dealing with possible restoration of China-Consca Relations and in which Lill's name appeared and he wished to interview LIM. By way of documentation, former NY 2524-S advised LTN that he had intervioued CHOU En-lai in Now Celhi in 1955 and he was personally acquainted with SISTO KUNG, a New China News Agency representative in Hong Kong. Former NY 2524-S was advised by LIN to contact him later at which the he would have a definite answer. On 4/10/69. former NY 2524-S recontected LIH, telephonically, at which time LIN stated that he would not subsit to an interview hovever, he would be very much interested in talking to former NY 2524-S. A luncheon date with former NY 2524-S was set for April 29, 1969, at the faculty lumpe at McCill University, Montreal, Canada.

On 4/29/69; Manual Contacted WFO and advised as follows:

On 4/29/69, he met with PAUL LIN et the faculty lorage at McGill University, Montreal, Canada, as previously arranged through telephonic contact with LIN. (He had been furnished LIN's name by the and prior to that had never heard of LIN.) He spent approximately two bours with LIN and LIN was vory receptive and friendly towards the China habland, possibly during the October celebrations; bowever, LIN auggested that the October celebrations; bowever, LIN auggested that the letter may not have to wait that long. LIN suggested that a letter be directed to CHOU In-lai indicating his desires. When the contact the course directly, LIN suggested the possibility of sending it through the Chinese Lubassy, Paris.
